Welcome to beautiful Anacortes and the city’s 54th annual Arts Festival. We hope that you can take time to enjoy all that the Festival and our city have to offer.

Your purchases from our artisans, in the beer gardens, at the Fine Art Show and throughout the Festival support our Giving Back Program. In 2015, the Anacortes Arts Festival has committed more than $80,000 in grants back into our community. We support art in our schools, art education, public art and other creative projects every year. This is all made possible by you simply enjoying your time here and spending some of your hard-earned money on fabulous art and craft pieces!

We also have red donation boxes throughout the Festival. We encourage you to drop in $1 or more to help us continue the work we are doing to keep art alive in Anacortes.

You will see interesting new artisans and your favorite past vendors as you wander through the more than 300 booths. You may also notice that we moved the Jazz Stage and Reunion Wine Bar out onto Commercial Avenue. You can spend some time there enjoying music sponsored by the Manieri Endowment.

At the other end of Commercial, you will find a new shaded family dining area between the Island Eatery Food Court and the Working Studios. After your belly is full and you’ve watched the artists in action, take in the entertainment on the Port Stage, enjoy a drink in the Waterfront Pub and tour the Fine Art Show down on the dock.

We know that local Skagitonians particularly enjoy Fridays at the Festival. To make sure that all of you have time to enjoy that quieter day, we have extended the Festival hours on Friday and will be open from 10 a.m. to 8 p.m. Also, keep your eyes out for a coupon in the local papers for a free gift from us if you join us for Locals Night from 6 p.m. to 8 p.m. on Friday night.

Whether you live in Anacortes or you have planned your trip to see us from far away, we are grateful that you have chosen to spend your time here. Thank you for attending the Festival and supporting the work that we do to make art a priority in our community.

Enjoy!

We’re building a neighborhood that embraces and enhances an active coastal lifestyle. Quality, right-sized homes built with attention to livability, craftsmanship and the use of earth friendly materials. Drought-resistant, native landscaping brings the residences, parks and tree-lined streets together as one. And a sense of place and community grows every day.

Models open daily, 11-4pm or by appointment.

From Anacortes, take hwy. 20 (12th Ave.) west for 3 miles. The entrance to San Juan Passage is on the right hand side, just before the ferry terminal.

With the help of organizational partners, the Youth Discovery Area offers creative art projects and activities for children. This vibrant area is a place to let the kids be themselves in a safe, creative environment. This year’s activities include house-building, music labs, quilting and lots of art. Student artists Taylor Hanks and Yma Lovelett created artwork for this year’s special youth button given to volunteers in the area. Their original artwork will be part of the Youth Art Exhibition at Arts at the Port at the Port of Anacortes Transit Shed Event Center.

The Festival appreciates the partnership with the following organizations:

- Anacortes Community Theatre
- Anacortes Community and Youth Arts
- Anacortes Parks & Recreation
- Anacortes Public Library
- Boys & Girls Clubs of Skagit County
- Clover the Fairy
- John L. Scott Real Estate
- Fidalgo Island Quilters

The Crown Jewel of the Festival

Port of Anacortes Transit Shed Event Center (First Street and Commercial Avenue)

Arts at the Port will join the Community First Friday Gallery Walk this year and remain open until 8 p.m. on Friday, Aug. 7. Festival hours continue Saturday from 10 a.m. to 6 p.m. and Sunday 10 a.m. to 5 p.m.

NOTE: Arts at the Port opens at 6 p.m. Saturday, Aug. 1 and is open 9 a.m. to 5 p.m. Monday through Thursday (Aug. 3–6).

Juror Stefano Catalani, director of art, craft and design at the Bellevue Art Museum, selected a diverse Juried Exhibition that includes 40 artists and more than 90 pieces of art. The show relates to the theme Zeitgeist and includes painting, photography, basketry, fiber art, ceramics, glass, sculpture and installation artwork.

The exhibition opens at 6 p.m. Saturday, Aug. 1 at the Port of Anacortes Transit Shed Event Center with a free evening of art, wine, appetizers and music — and the opportunity to meet and mingle with many of the artists.

Catalani joined the Bellevue Arts Museum in 2005 as curator and was appointed director of art, craft and design in February of 2010. He has conceived and organized more than 20 acclaimed exhibitions exploring the dynamic field of art, craft and design.

Highly regarded in the field of contemporary art, Catalani has been chosen as a nominator and juror for many awards and serves as a guest lecturer at the University of Washington, Evergreen State College and other educational institutions.

A native of Italy, Catalani relocated to Seattle in 2001. His classic studies in Italy provided him with a strong theoretical background in art history and philosophy.

The Allen Family Focus Gallery features the work of five invited, diverse regional artists

**Craig Dunston McGrail**  
**Bellingham**  
Craig creates photographic images by moving the camera and taking a sequence of three to seven exposures in rapid succession. The colors blend, the individual elements blur to form new shapes, the textures turn into patterns, and the final image is unexpected and unpredictable.

**Robin and John Gumaelius**  
**Cosmopolis**  
Robin and John incorporate ceramic, steel and wood to create animated human and birdlike sculptures. Their works are comical, bizarre and highly inventive. Robin creates colorful ceramic surface imagery and complex glazes and John adds exquisite metal armatures and wood appendages that bring the sculptures to life.
Barbara De Pirro
Shelton
Barbara is a mixed media artist who sculpts, paints and creates installation work that is environmental in nature. She uses reclaimed materials to create organic forms, and her work shows a fascination with both the brilliance and resiliency of nature and its fragility and vulnerability.

Scott Kolbo
Seattle
Scott works around the study of culture, aesthetics, literature, film and contemporary art. His drawing and video work incorporates new technologies into traditional art-making strategies, layering video over the top of drawings and mixing together elements from high and low culture. Kolbo teaches art at Seattle Pacific University.

YOUTH ART EXHIBITION
The Museum of Northwest Art is joining the Festival this year to produce the Arts at the Port Youth Art Exhibition. Drawing from the MoNA Link Youth Arts Education Program, the exhibition will feature artwork from students pre-kindergarten through high school. MoNA Link engages arts professionals and students in both classroom work and museum exhibits and education. The Festival has been a major MoNA Link supporter, awarding it more than $50,000 in grants since 1999.
Second Street to the Port
10 a.m. – 4 p.m. Friday through Sunday

The Festival invites the public to see artists in action in the Working Studios area north of the food court. The area will be active all three days of the Festival this year. Working Studios features an inspiring group of artists demonstrating a variety of traditional and contemporary art forms.

T
he Festival is spearheading Tide Craft, a public
art project using salvaged marine debris. With the
partnership of environmental groups, we have been
collecting trash from regional beaches and passing it on to
teachs of artists who are transforming it into art. The Tide
Craft creations will be on display, along with information about
the environmental impact of marine debris. Look for them just
inside the port fence.

Skagit County Zero Waste for their partnership in Tide Craft.

A
nacortes artist and musician Luuk Honey is creating the Festival mural for the 2015 Tommy Thompson Mural Project. He is a graduate of Evergreen State College, where he studied fine art with an emphasis in stone lithographic printmaking. Honey’s studies took him to Iceland and Germany – and eventually back to Anacortes, where his work focuses on illustration and window paintings. He is known for his musical project, SiLM, which has performed locally and internationally. When not following his artistic pursuits, you can find Honey at his new local coffee and tea business, Portal of Anacortes.

2015 TOMMY THOMPSON MURAL

**10th Annual Art Dash**
**Saturday, Aug. 1**

The popular Art Dash — half-marathon, 10k and 5k — takes place Saturday, Aug. 1, starting at 8 a.m. at Anacortes City Hall, and ending at the Port warehouse. It takes runners along the Fidalgo Bay waterfront on the Tommy Thompson Parkway and across the trestle to March Point. It is a certified fast run that draws hundreds of participants from throughout the region. ShiDaa, a local world music group, will set the beat as runners cross the finish line. The race is a partnership between the Festival and Anacortes Parks & Recreation, and profits fund the Tommy Thompson Mural Project and other public art projects. Runners can register online through the Festival website.

**Volunteers**

It takes an army of highly dedicated volunteers to help make our Festival weekend run smoothly. The Festival has approximately 250 volunteers helping over the course of three days. We have people working as art docents during the Fine Art Show, manning the information booth, preparing lunches for all of our booth vendors, booth-sitting when artists need a break, working in the beer and wine gardens, plus so much more!

Volunteers are the heart of our organization and we are fortunate to have so many community members willing to give of their time to welcome visitors and support our efforts.

Team Leaders help throughout the year by organizing, scheduling and training volunteers prior to Festival weekend.

Our 2015 Volunteer Team Leaders are (above, left to right) Laura Hamilton, Carol Masters, Geralyn Curtis, Constance Wray and Carla Bray.
